HOMECOMING GAME FESTIVITIES

The Dearborn Pioneers crushed the R.U. Panthers before a damp but enthusiastic homecoming crowd on October 1, 1994. The Pioneers soared to a 27-0 victory lead by the seniors who were giving their all for their last Homecoming game. According to coach Rick Austin, Homecoming is really special for the seniors. "Tradition becomes the motivator to the game," said Austin. Senior Paul Mazzara had three outstanding touchdowns in the first, second, and fourth quarters. The other touchdown was scored by junior Kevin Kreger, in the third quarter. Later in the game, senior defensive ends Rory Jaynes and Art Kozarski, put the "D" in defense with two quarterback sacks. Riding the strength of an overwhelmingly powerful Pioneer defense and a fierce offensive ground attack, the Pioneers assured themselves of a 27-0 victory over Redford Union in the 1994 Homecoming football game.

1. Quarterback, Kevin Krieger, leads the fierce offensive attack. 2. Offense sets itself to strike once again. 3. Paul Mazzara streaks to one of his three touchdowns on the day. 4. Coach Baughman gives the teams a pep talk on the importance of winning in front of former players.

RAINY WEATHER CAN NOT

This year's rainy weather couldn't bring down Dearborn High's spirit. Class competitions went ahead as planned in the school gymnasium. They included a pie eating contest, hula-hooping, a water balloon toss, tug-o-war, and the basketball toss. Seniors dominated the tug-of-war contest, but the freshmen won the overall competition.

For the first time in many years, Dearborn held a parade which included floats from each class. The seniors created a lion eating a panther, the junior class made the letter "D". The sophomore class showed a RU player being flushed through a toilet seat, and the freshman class caged a panther.

In spite of the inclement weather, a tremendous crowd turned out to cheer their sport teams on at the bonfire, the night before the big game. "The atmosphere tonight was great, everybody showed their class and spirit really well," said senior Jason Wilmoth.

1. The tremendous bonfire reaches toward the dark sky. 2. Sophomores intend to "flush" Redford Union at the DHS parade. 3. The class of '98 hopes to cage the panthers. 4. Closing festivities find the varsity football players and cheerleaders admiring the ashes before the big game. 5. Avni Sulollari and Tom Atkinson enjoying every minute of the pie eating competition.

RUIN HOMECOMING SPIRIT

1. Seniors fire it up and show their spirit at the bonfire. 2. The seniors' float roars that "Pioneer Power" will prevail. 3. Showing their brute strength, the mighty seniors pull to another hard fought victory. 4. After the steady rain stopped, Katie Smyth and Stetson Steele cruised down Outer Drive waving to a damp Homecoming parade crowd. 5. The juniors' float shows hopes of "D"-clawing the panthers.

Frank Pizzini, Kate Sullivan, Farrah Baran, and Mark Lupu anxiously await the beginning of the evening's festivities.

Couples hit the dance floor, dancing to "Shape of my Heart".

BOOSTER CLUB'S BRIGHT IDEA

For the first time in years, Dearborn High School played three night games under bright lights on the football field. The Dearborn High Booster Club rented eight portable light stands for the three day events. Boys varsity soccer started the three nights off on Wednesday September 21. They played the Garden City Cougars and came up just short, two goals to one. Tri- captain Brian Zirbel stated "I thought the night games were a good idea, it was a good time and it brought in more fans than usual!" On Thursday the girls varsity field hockey team hosted the Academy of Sacred Heart. They came out with a three to one victory, for the first victory of the night games.

On Friday, before the biggest crowd yet, boys varsity football played Garden City. They won sixteen to seven, ending the festivities on a good note. Senior placekicker Tony Allevato stated "it was a great experience playing a night game at home during my senior year, I really enjoyed it!" All of the athletes involved in the three night games were appreciative towards the booster club for making these night home games a part of there athletic careers that they will never forget!

Portable lights rented by the booster club brighten up the festivities.

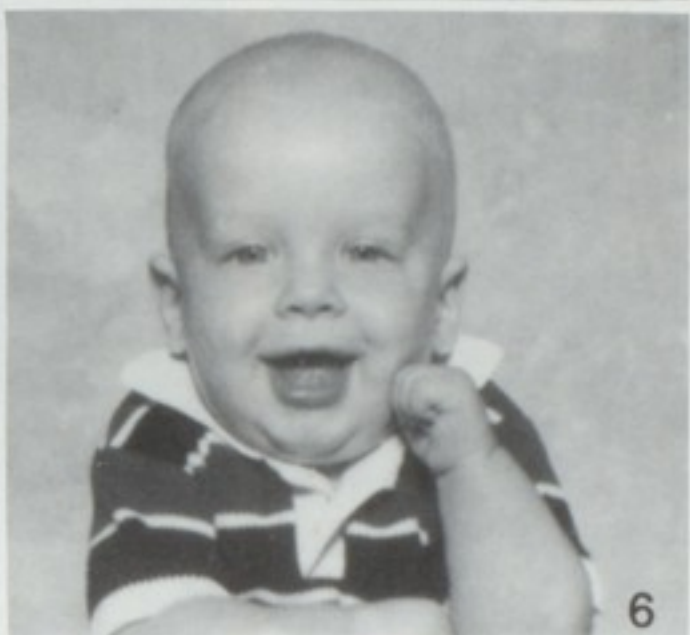

Junior Mike Alaweih carries the ball for a first down, as Andy Hass looks on.

Fouad Hazime, "Everyone should drive like David Makki."

Nicole G., "I was really excited about getting my drivers license."

As sophomores, one of the biggest rewards is getting your license. It allows you the freedom and fun you need. You can drive your friends to school, work, and parties. You deserve the excitement of getting your license, especially after you had to suffer through drivers training (the long days in the summer, when it was boiling hot - driving in a car with no radio, hoping someone in the car knew how to rig it - NO AC - sitting in the back seat with three other people while you feel like your going to burst from the heat - and don't forget how you prayed while you sat back there clutching the seatbelt). You've earned your drivers license, putting up with the stress and strain of drivers training. Just remember, no matter what, this is high school, have fun!

Taline Hagopian, "I can't wait until I get my license."

Theresa Arevigian, "There's nothing more exciting than the day you get your license."

Academics

Principals have one of the hardest jobs of the administration. Whether it is congratulating students for their hard work and effort, or sending them to detention, they are always looking out for the best of the students. Besides working with the students, they also organize meetings with the entire staff to provide a better education and more comfortable environment for both the teachers and students to work in.

Ann Superko has been in the Dearborn school district for thirty years, and a principal at Dearborn for nine years. "We have great students. It's the best high school in the country."

Left: During her break, principal Ann Superko is getting some paperwork done.

Lower left: Dr. Blackburn working hard as usual.

Lower right: George Rockwell patrolling the halls to keep students in order.

"I like my job, I really enjoy what I do." Assistant principal, Doctor Merice Blackburn has been in the Dearborn School district for twenty-two years, and an assistant principal at Dearborn for eight years. She is in charge of disciplinary action for all seniors.

After serving for twenty-five years at Fordson, Mr. Rockwell is now in his second year at Dearborn. "The students are very conscientious with their goals, studies, and objectives. I first had apprehensions about coming here, but am now very happy I did."

SPECIAL SERVICES

Many students are unaware of the special services available to them. These include social workers, speech therapists, learning resource aids, and psychologists. Their offices are located in the counseling area to provide assistance for the students. They work hard to help students with speech, homework, and test difficulties. Besides being there to help with school, they are also there as a friend with advice in times of special tragedy and need.

OFFICE STAFF

To be a secretary, one must be extremely organized and patient, which are exact characteristics of our office staff. The secretaries work hard all day, dealing with students, parents and teachers. Some tasks include checking the students in and out, printing out the absence list, and preparing the daily bulletins. Besides organization, you can always count on getting a warm smile upon entering the office.

(upper, left to right) - Michelle Wiegand, Paula Brancheau, Annette Klauke, Christine Sickle, and Sue Broderick don't mind taking time out of their busy schedules.

(left) - Christine Sickle looks like she needs a secretary!

COUNSELORS

Counselors assist us with many decisions, including our class schedules, college choices, and even what career field to look into. Besides this, they also organize career seminars, meetings with college representatives, support groups, and inform us of our scholarship possibilities. Besides help with school, counselors also give advice and support with personal problems. You can trust your counselor to keep a secret and help you the best they can whenever you are in need.

1. Jayne Harworth looks forward to starting off a new year.
2. Jim Hoey is working hard on student schedules.
3. Mary Nieporte testing out the new software.
4. Larry Pye is sporting his orange and black.

Science

One of the reasons we have such an excellent science program is our teachers. Whether it's staying after school, preparing labs, or just teaching class, they are always busy working their hardest to benefit the students and provide the best education possible. The science rooms have all been renovated to provide a comfortable setting and the latest technology for the aid in students' study. Televisions have been added in many of the classrooms to further in the educational process of students.

English

Head of the English Department, Don O'Hagan looks through papers from one of his AP classes.

English is one of the more important classes studied. Without it, one would have trouble expressing themselves and succeeding in other classes as well as their career. Recently the curriculum has been revised to put more emphasis on the writing process. This is due to the incorporation of the writing proficiency test in the MEAP exam. This will have an overlaying effect on the state issued endorsed diplomas. Besides spending time in the classroom, English teachers put extra time into the Observer, Yearbook, and after school helping students.

SUCCESS ON THE GRID IRON

The 1994 Pioneer football team had one of its winningest seasons in seventy-six years. Amassing an impressive eight wins and just two losses. They finished second in the Michigan Mega League White Division, and advanced to the state playoffs for the second time in the school history. The Pioneers outplayed and dominated most of their opponents this year.

The Pioneer offensive line was an experienced one, led by senior tri-captain, all league, all city, guard Dan Balestrieri, senior tri-captain, all league, all city, guard Ben Crook, senior all league, all city tackle Kevin Watts, senior guard Mike Zimmerman, and juniors Jeff Simpson, Drew Doneski, and Andy Hass.

At the skill positions the Pioneers were loaded with great talent. Junior tri-captain, all league, all city, quarterback Kevin Kreger led the Pioneer attack, followed by all league, all city tailback Mike Alaweih, senior full back Paul Mazzara, sophomore spilt end Brodie Killian, and all city flanker Ryan Wilkinson.

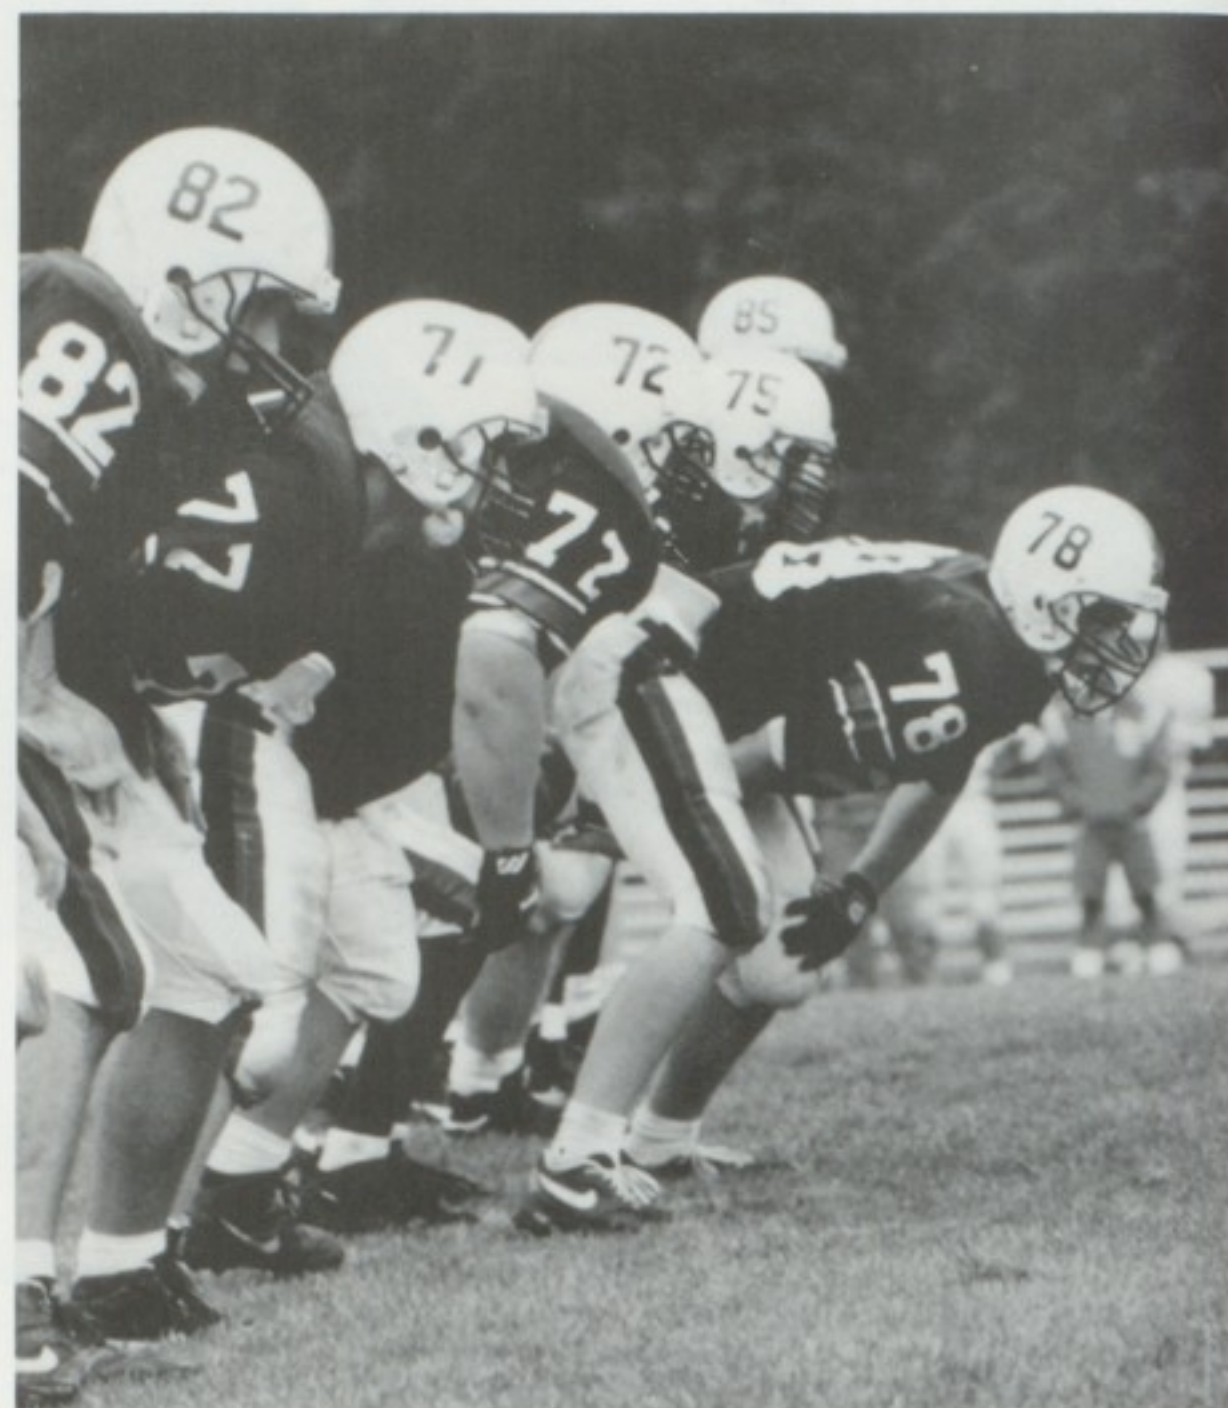

Senior all city kicker Tony Allevato handled place kicking duties.

The Pioneer Defense was a stingy one, allowing a total of five scores all year, and blanking four of its opponents. The defense consisted of a young bunch, starting two sophomores, six juniors, and two seniors. In the state, the Pioneers were ranked second in total points scored against. One advantage the defense had on its opponents was its overall team speed.

The Pioneers got things started off on the right foot, shutting out Livonia Church Hill 21-0. The following week the team lost an emotional, hard fought game (7-13) to Southgate Anderson. Next week, a fired-up Pioneer team rebounded in defeating Taylor Kennedy 3-0; this started a seven game winning streak.

The next game Dearborn played in front of a full house, for their first night game in Dearborn history. The Pioneers didn't let the crowd down defeating Garden City 24-0.

Regaining the Spirit Bowl from cross-town rival Edsel Ford was not a problem, blanking them 16-0. Lincoln Park would be railed 21-7, and Taylor Truman would receive offensive pounding losing 54-12. The Pioneer closed out the regular season with another victory winning 25-6 over Wyandotte. Unfortunately the winning streak would come to a stop at seven, because the Pioneers lost 13 - 3 to South Lyon in a sloppy quagmire during the first round of the state playoffs. "Our success was determined by a total team effort," stated Assistant Coach Rick Austin. The football team should have another great season next year, with the young talent they have.

Brodie Killian, Jeff Simpson, Dan Balestrieri, Drew Danowski, Kevin Watts, and Andy Hass are standing in their ready positions.

Boys Varsity Soccer

The 1994 Boys Varsity Soccer Team had a disappointing season. They finished with eight wins, and nine losses, and took third in the league, unable to defend their league championship of last year. The Pioneer team consisted of six seniors, seven juniors, four sophomores, and two freshmen. The captains of the team were senior goalie Jason Wilmoth, senior midfielder Brian Zirbel, and senior defender Peter Arango. Dearborn's season started off slowly losing six of their first nine games, but at the end they came on strong shutting out five of their last eight opponents. The team's season came to an early end losing in the first round to Belleville. "It was a fun season, I had a really good time despite a below average year," stated captain Peter Arango. The most positive thing of the Pioneer's season is that three members of the team made all league first team.

YOUNG TEAM COMES THROUGH WITH ANOTHER SUCCESSFUL SEASON

SCOREBOARD

The girls varsity hockey team continued their winning tradition this season. The team was young, entering the season with 13 returning juniors. The girls were ranked 3rd in the state at one point and finished fifth. Jodi Kowalski was named to the all-state team and Jill Sestok made the all-state second team. Megan Jenkins and Emily Gmitter received an honorable mention.

Coach Marsha Kowalski had a lot to say about her team: "The players were talented, dedicated, and determined. This season brought success in our win/loss record as well as personal achievement." The coach also wanted to add, "Remember girls, ducks fly together!"

BOYS CROSS COUNTRY

Eighth in the state, third in the region, second in the league, and first in the city! WOW, what a season for the DHS Cross Country team!

The team finished with a 6-1 record losing only to Monroe, who placed fourth in the state. The key to the eighth place finish at the State Meet was consistency. The team entered the meet unranked in the state after finishing third in their region, behind Ann Arbor Pioneer and Monroe.

Stetson Steele remarks, "We accomplished everything we wanted to this season. It was a great way for the seniors to go out"!

DHS GIRLS VARSITY BASKETBALL

The 1994 Girls Varsity Basketball team was very successful posting a undefeated eighteen win and no loss season. The team consisted of two seniors, seven juniors, two sophomores, and one freshman. The team won the mega conference white division title going undefeated with a twelve win zero loss season. The girls varsity team made it to the district final where they lost to Detroit Cody by three points.

Senior Co-Captain Julie Kalbfleisch stated, "I really enjoyed this year on the DHS basketball team. It was a great experience, and I'm really glad that in my only year here, my senior season, we could do so well."

The '95-'96 girls basketball team should be very successful with ten players returning.

The team had a great year with a league record of eight wins and three loses. Everyone who went out for the team did her best. There was a lot of team spirit and enthusiasm. "The overall season was great, I really enjoyed it," says sophomore Melissia Armstrong.

Coach Dean Kendall added, "It was an exciting season because we were able to win the league meet. We also had a lot of girls qualify for the state meet."

The swimmers qualified in the state meet in six individual events and two relays. One diver qualified for the regionals. Dawn Polk had an exceptional showing. She qualified in the state meet for both the 200 and 500 freestyle, finishing in the top six in the 500. Because of the strong support from its underclassmen, coach Kendall believes that he can look forward to a strong team again next year.

GOLFERS SWING THROUGH COMPETITIVE SEASON

The 1994 Boys Varsity Golf season was a competitive one, winning six out of ten matches in the Mega League Red Division. The team consisted of fourteen players, the majority of them being underclassmen. The two seniors that led the team were co-captains Chris Huot and Adam Katchaturoff. The team was third overall in the league with a seven and seven overall record. The team only has room to improve with dedicated underclassmen.

BOYS WRESTLING

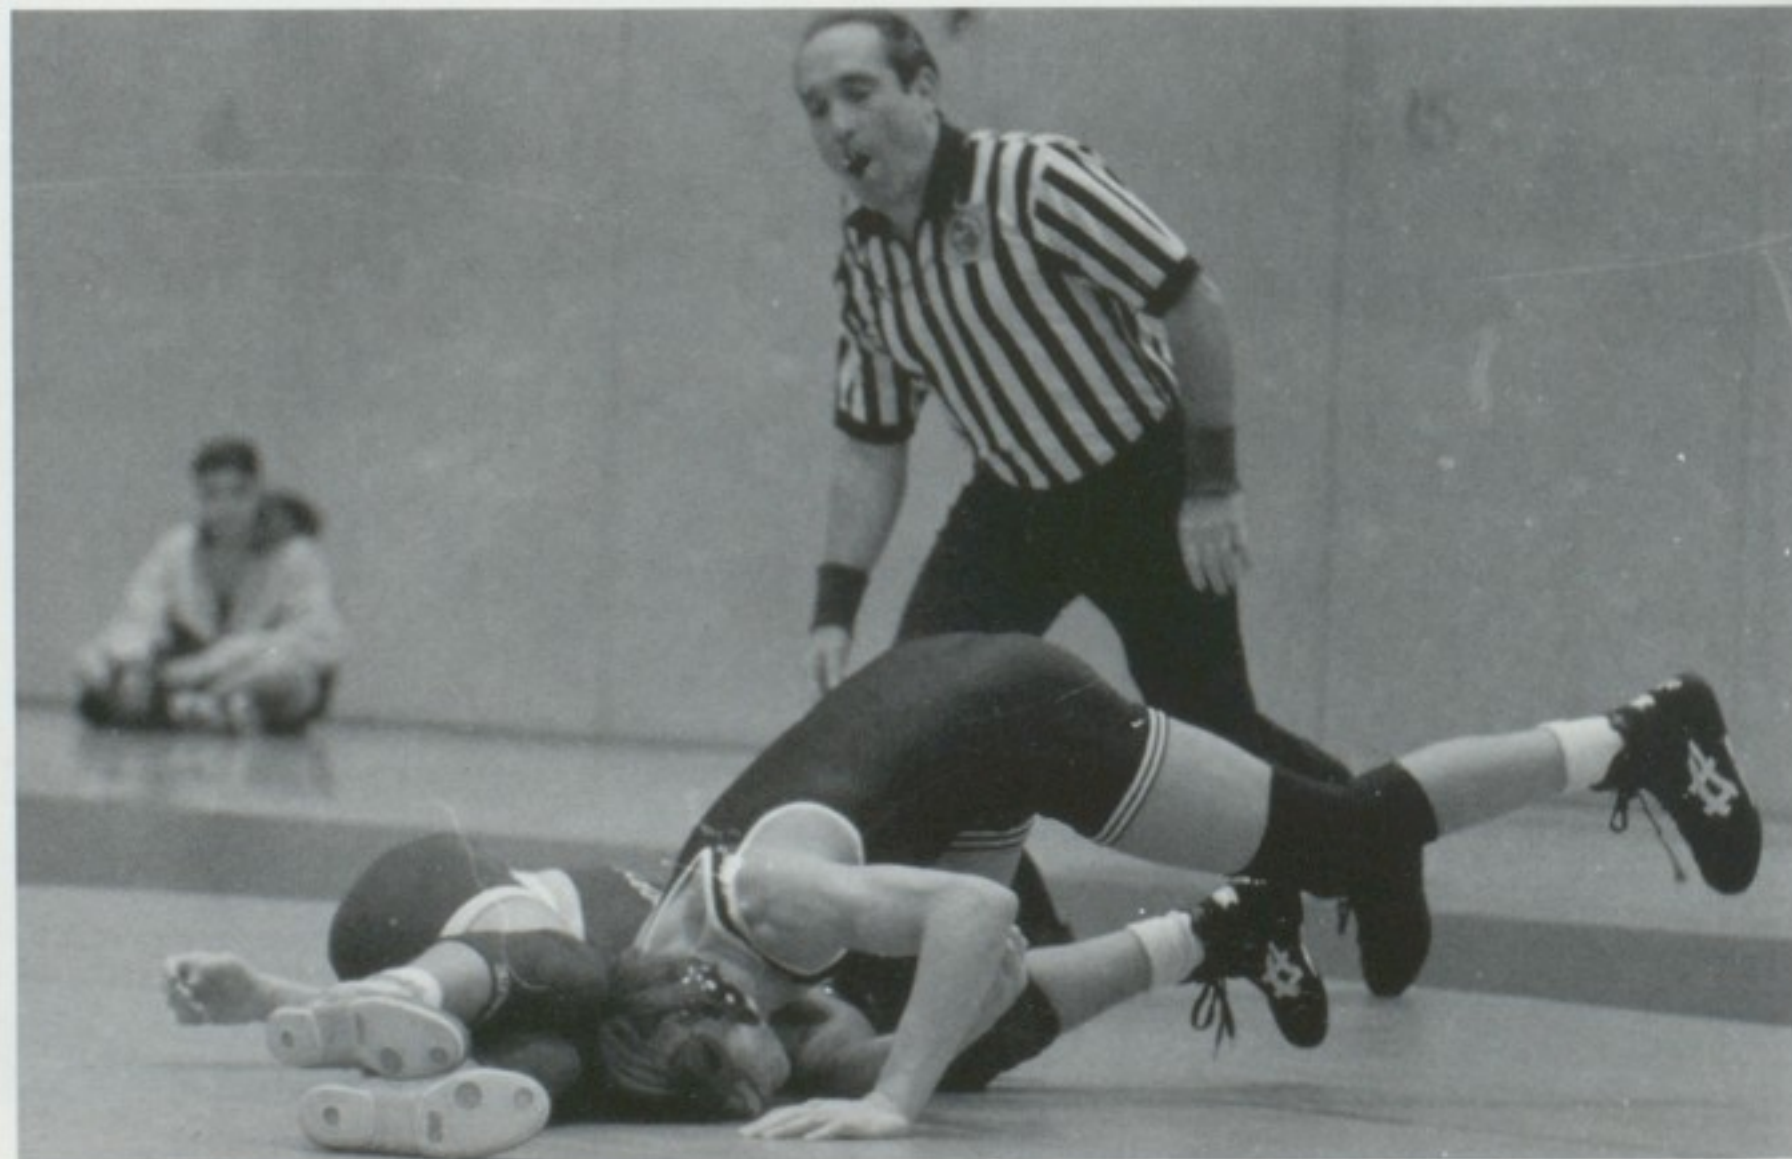

This year the Boys Wrestling team had an impressive record of 14-2, and were 5-0 in the Mega White Division. The biggest win the team had this year was when they crushed Redford Union 63-6. Coach Wyka says his most crowning achievement was winning the All Area Tournament as well as the Mega White Division. The team placed 1st three times and 3rd once in the Invationals. Junior wrestler Dan Smith says "coming into each meet we were focused and determined to win." Dan Smith and the two Kelp brothers, Derrick and Brian, qualified for the Individual State Wrestling Finals. Coach Wyka says The difficult part is yet to come because it will be hard to fill the voids created by the graduating seniors. Despite the loss of seniors, Coach Wyka feels the team could be as successful next year as they were this year. He continues "I know more wrestlers will qualify for the Individual State Wrestling Finals next season." This year was one of the best seasons the wrestling team ever had. Next year should be another good season because of returning lettermen.

Dearborn High's 1994 girls tennis team came on to the courts with something to prove and got it done. They came into the season with a young team and took no prisoners when they finished undefeated in the league with a record of 8-0-2, capturing the league title in the Red division of the Mega League.

The team was especially ready for our cross-town rival Edsel Ford. They stormed onto the courts winning big with scores of 6-2 and 7-1.

Hoop Squad Dominates

Walking through D.H.S. on a winter's day, shouts of "Hoop Squad" can be heard throughout the halls. The Hoop Squad is the 1994-95 boys varsity basketball team, perhaps the best team in school history.

The team's quick pressure defense coupled with the individual defensive efforts of sophomores Ryan Wilkinson and Brodie Killian shut down opponents, allowing their striking offense to take over. Led by tri-captain seniors Jason Wilmoth's inside domination, Adam Kachaturoff's outside scoring, and junior Kevin Kreger's powerful drives. The pioneers offense stung opponents with its versatility. Adding to the attack was senior Mike Sykes's fantastic pull up jumper, senior Matt Schlieff's three point shooting, senior Brian Zirbel's passing expertise, and junior Jeff Simpson's strength inside. Despite the powerful balanced assault, Wilmoth, Kreger, and Sykes were the main guns, each receiving All-City first team honors.

Besides annihilating cross-town rival Edsel Ford, league highlights include an exiting victory over Monroe, where Wilmoth scored 27 points and grabbed 15 rebounds, Kreger had triple-doubles against Edsel Ford and Wayne. Sykes also scored 25 points in a huge district win over Fordson. Dearborn went on to win the district title with a thrilling 76-70 overtime victory over Detroit Southwestern. Dearborn was later defeated in regional play by highly ranked Cass Tech but, it did not overshadow the team's success. "Of course we would have liked to keep playing," stated captain Jason Wilmoth, "but we had a great year. We were undefeated in our league, we won districts, we had fun, I couldn't have asked for a better senior year."

Strong finish lifts TANKERS to division title

Even though the Tankers had a young team they still pulled off a first place finish in their division by going 5-0 through the dual meets. The Dearborn Tankers dominated the swamps at the division meet by at least 100 points over second place, Monroe. During the division meet, seniors Jeff Schoolmaster and Damien Pakula rocked the fleet of swimmers, with their long, powerful strokes to finish first and second in the 100 yard freestyle respectively. Junior Mike Boyle twisting and turning his muscular body, won the 200 yard freestyle. Captains Damien and Jeff collected six first places and two second places by the end of the divisional meet. Junior Mike Boyle had three first places and one second place, and sophomore Christian Bockmann, had a third place finish in a grueling 500 yard freestyle race. Sophomore diver Jake Lande took fifth place at the division meet, and also qualified for the regional meet. Senior captains Damien Pakula and Jeff Schoolmaster, junior Mike Boyle, and sophomores Christian Bockmann and Jake Lande, who placed 7th at regionals, qualified for the state meet. Senior tri-captain Damien Pakula was named MVP at the Mega Red division meet and junior Mike Boyle was named "Swimmer of the Year" in the Mega Red division.

At the state meet, the tankers had a up and down meet, but at the end they came in 18th place. Junior Mike Boyle, sophomore Jake Lande, and the 200 yard freestyle relay team were the only people who placed. Seniors Jeff Schoolmaster and Damien Pakula along with sophomore Christian Bockmann came very close to going to the finals, but missed them by a couple of seconds. Mike Boyle placed 5th in the 200 yard freestyle and 9th in the 100 yard freestyle, diver Jake Lande came in 31st place. The 200 yard relay team placed 7th. According to assistant coach Dean Kendall, "The swim team was young but did exceptionally well. The freshman and sophomores stepped up to do their part, along with Jeff Schoolmaster, Damien Pakula, and Mike Boyle.

GIRLS VOLLEYBALL

Dearborn High girls volleyball finished with a great record of 26 wins 13 losses and three ties. They took second place in a tournament at the University of Michigan Dearborn, losing there only one game to Chadsey High School. They had another good finish at Wayne State University, taking third. Coach Dianne Phillips, in her seventh year as head coach, has a young team with only three seniors. The rest of the team is made up of seven juniors, one sophomore and two freshmen.

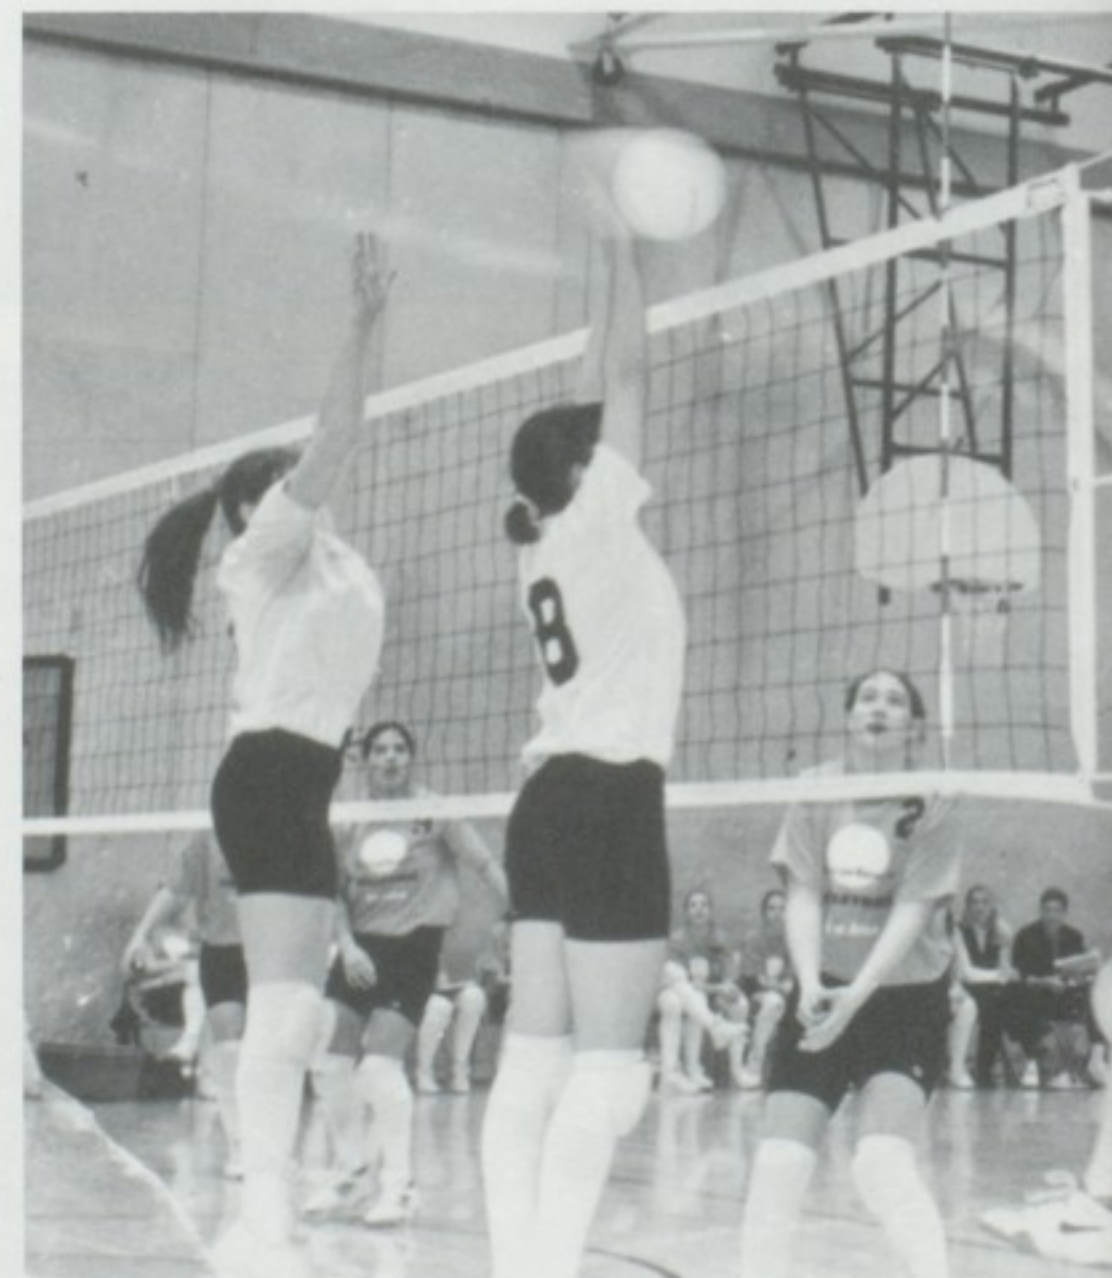

The Pioneers went into districts coming off of a big win over the Monroe Trojans. "It's a good feeling to go into districts with a win," said junior Emily Gmitter. Coach Dianne Phillips says, "This years team is the most dedicated team I ever had the pleasure to coach. They are hard working and committed not to just being a **GOOD** team but, more importantly, to being a team." They had an average record in tournament play with 13 wins, nine losses, three ties. They also ended up winning districts and losing to Bedford in the first round of regional. "The reason we finished with such a good season was because we played like a team," said senior Ellen Faaleolea

Mrs. Natasya Shajira is the Ecology Club advisor

Who are the very active little group that cares about our environment? They're the Ecology Club. They recycle paper at DHS and write letters of complaint to environmentally unsound companies. The Ecology Club participates in the Earthfest Parade, works to install other recycling activities for juiceboxes and styrofoam, and sell suckers to assist environmental causes. It's a lot of work, but when you care for the environment it's worth it.

FRENCH CLUB

(top row, left to right) - Jackie Smith, Rebecca Willenborg, Sally Berri, Laura Fisher, Andre Burney. (bottom row) - Rosie Bak, Michelle Dupray.

So what is the French Club? The French Club is an organization in which students that study French, can learn how to act in a French society. It teaches its members about French culture also reinforcing their use of the French language. Together they learn and enjoy French as well as each other's company.

FIRST AND SECOND SEMESTER YEARBOOK

"Where are my pictures? When is this layout due? Oh no, don't even tell me that my pictures didn't turn out!" These were some of the all too common panic-stricken lines spoken in the yearbook room in the '94-'95 school year.

The 1995 yearbook had a new advisor, Mr. Dunleavy and a fresh theme, "These Are The Days". Mr. Dunleavy said, "(That) both semester's staffs worked equally hard and with equal enthusiasm."

Both staffs agreed that their number one priority was to create the best yearbook ever. These hardworking students were led by an equally hardworking editor-in-chief, Farrah Baran. Aside from her editorship duties, she also was the business manager and chief fund raiser.

Fund raising ranged from having a salad bar at the Spring craft show to being completely in charge of the Fall craft show. Mr. Dunleavy also collected cans in the cafeteria for extra cash.

With all the hard work and enthusiasm this promises to be one of Dearborn High's greatest yearbooks.

STUDENT COUNCIL

The 1995 Dearborn High Student Council had a terrific year. The Student Council planned Homecoming, spirit week, and pride week. They also organized Thanksgiving Day baskets for needy families. The Student Council has meetings once a month between students and administration. They discuss problems and ideas that the students have to improve Dearborn High. The Student Council president is Jen Pepper, vice president is Brian Zirbel, secretary is Rina Madias, and treasurer is Chrissy Heib. The Student Council advisor is Mr. Cooper.

FIRST STOP

The First Stop is a student run store, giving students an opportunity to use skills learned in classes in the business department. Everyone has his or her own responsibilities in running the store, including ordering candy, clothing, and taking surveys to see what to order. The students also determine the store fixtures and are there own security. All advertising and promotions are done by the students.

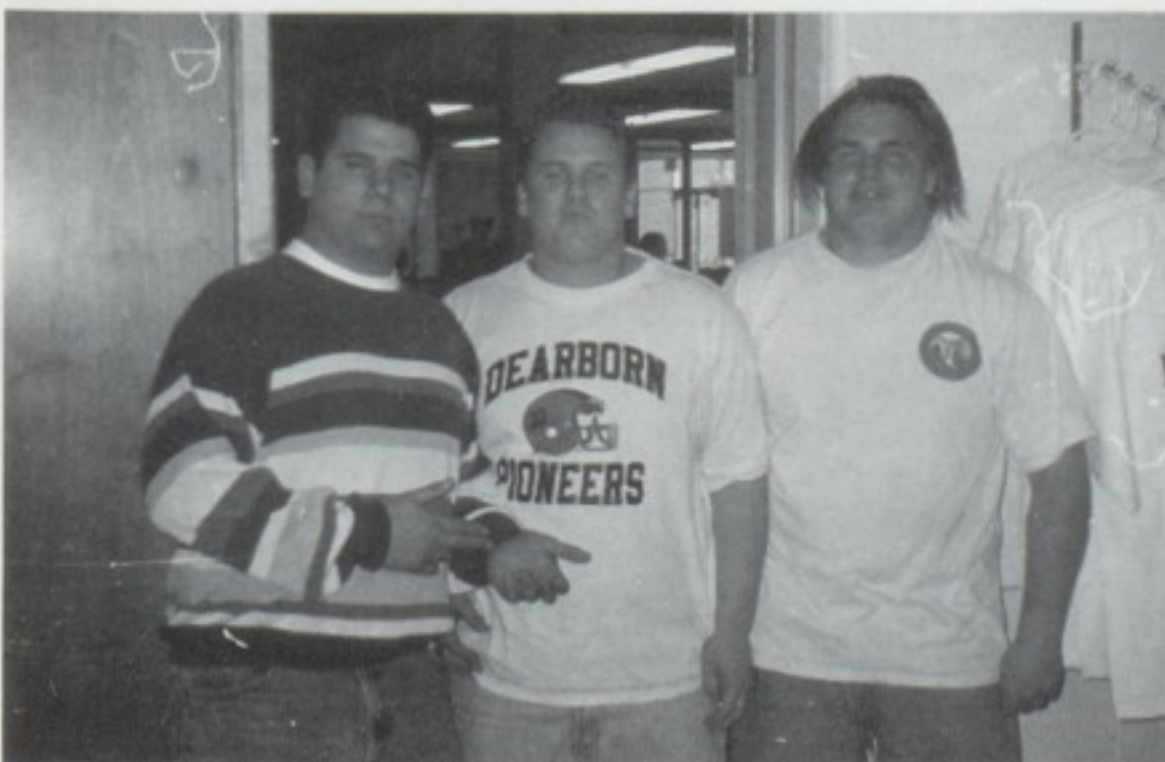

Senior Brian Zirbel tries to persuade junior Kevin Kreger to buy a Dearborn High School sweatshirt.

KEY CLUB

The Key Club is Associated with the Kiwanis International clubs around the world. Key Club has many projects to look forward to before the end of the year. Sponsored by Mrs. Muriel Bunch, also our Media specialist, the Key Club makes trips to nursing homes. At the homes they make life happier and bighter for the senior citizens.

(back row) - Emily Gentner, Romina Principato, Sarah Spillers, Dave Barkovic, Natalie Comeau, Jason Wrobel, Laura Fisher, Michelle Cook (front row) - Mrs. Bunch, Erin McCann, Jenny Moreno, Lu Lin, Tracy Slavinsky, Andrea Wozniak, Priscilla Woodliffe

Model United Nations

Model United Nations discusses some of the most important issues throughout our nation and world. The students and sponsor Mrs. Zimmerman attend conferences at least twice a year. The students are to debate the different countries that they choose. The countries can be very well known or somewhat unknown to the students. They have many speeches still to prepare before the end of the semester.

(back row) - Kristic Malmsten, Ann Chrapkiewicz, Katie James (front row) - Laurew Tenglin, Colleen Mansca, Rebecca Willenborg, Julie Leonard, Jenny Moreno, Jim Hefferen, Mrs. Zimmerman

DEBATE

Debate is one of the most argumentative classes one can take. Two teams take opposing views and argue both positive and negative sides. The judge from then decides who argued a better case and chooses a winner. This class is very demanding and gives students a taste of real world attitudes.

(back row) - Matt Jones, Tim Fraley, Jason Manely, Jason Schmidt, Chad Crombie, Brodie Killian, Sharief Taraman, Mike Boyle, Drew Podges (front row) - Meghan O'Brien, Michele Vamplew, Candice Berry, Stacy Axiak, Yolanda Lippert, Ms. Braathen

FORENSICS

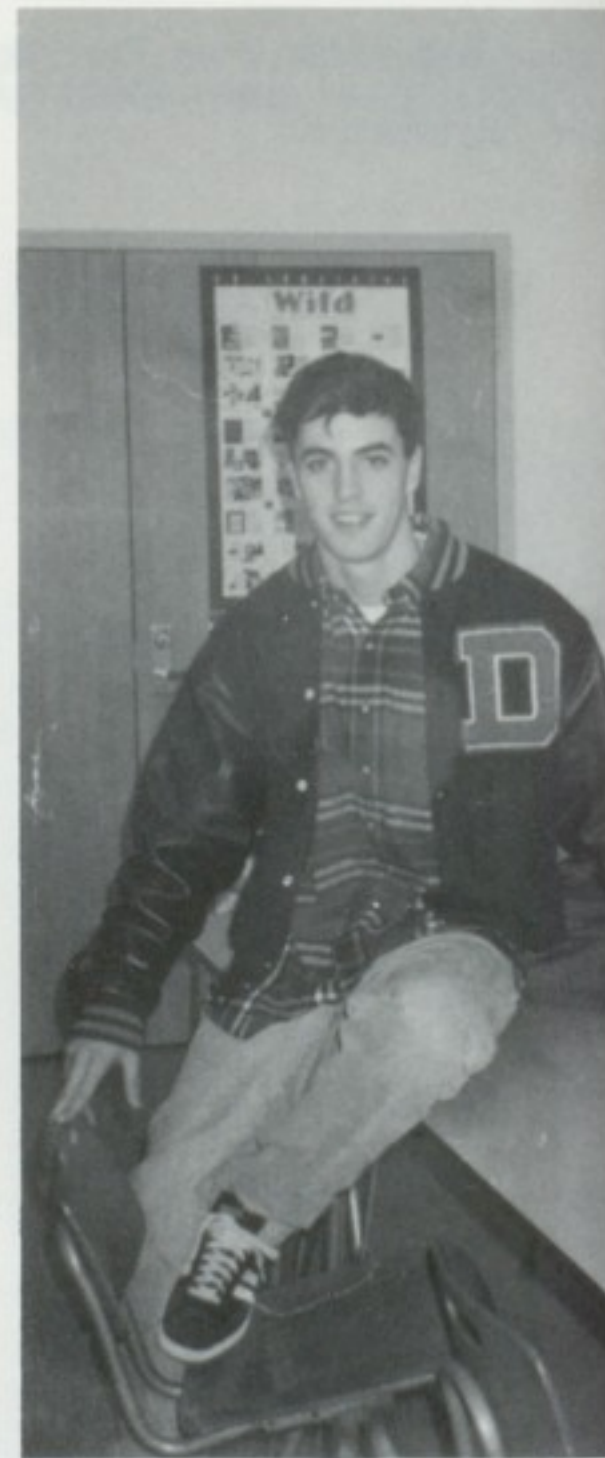

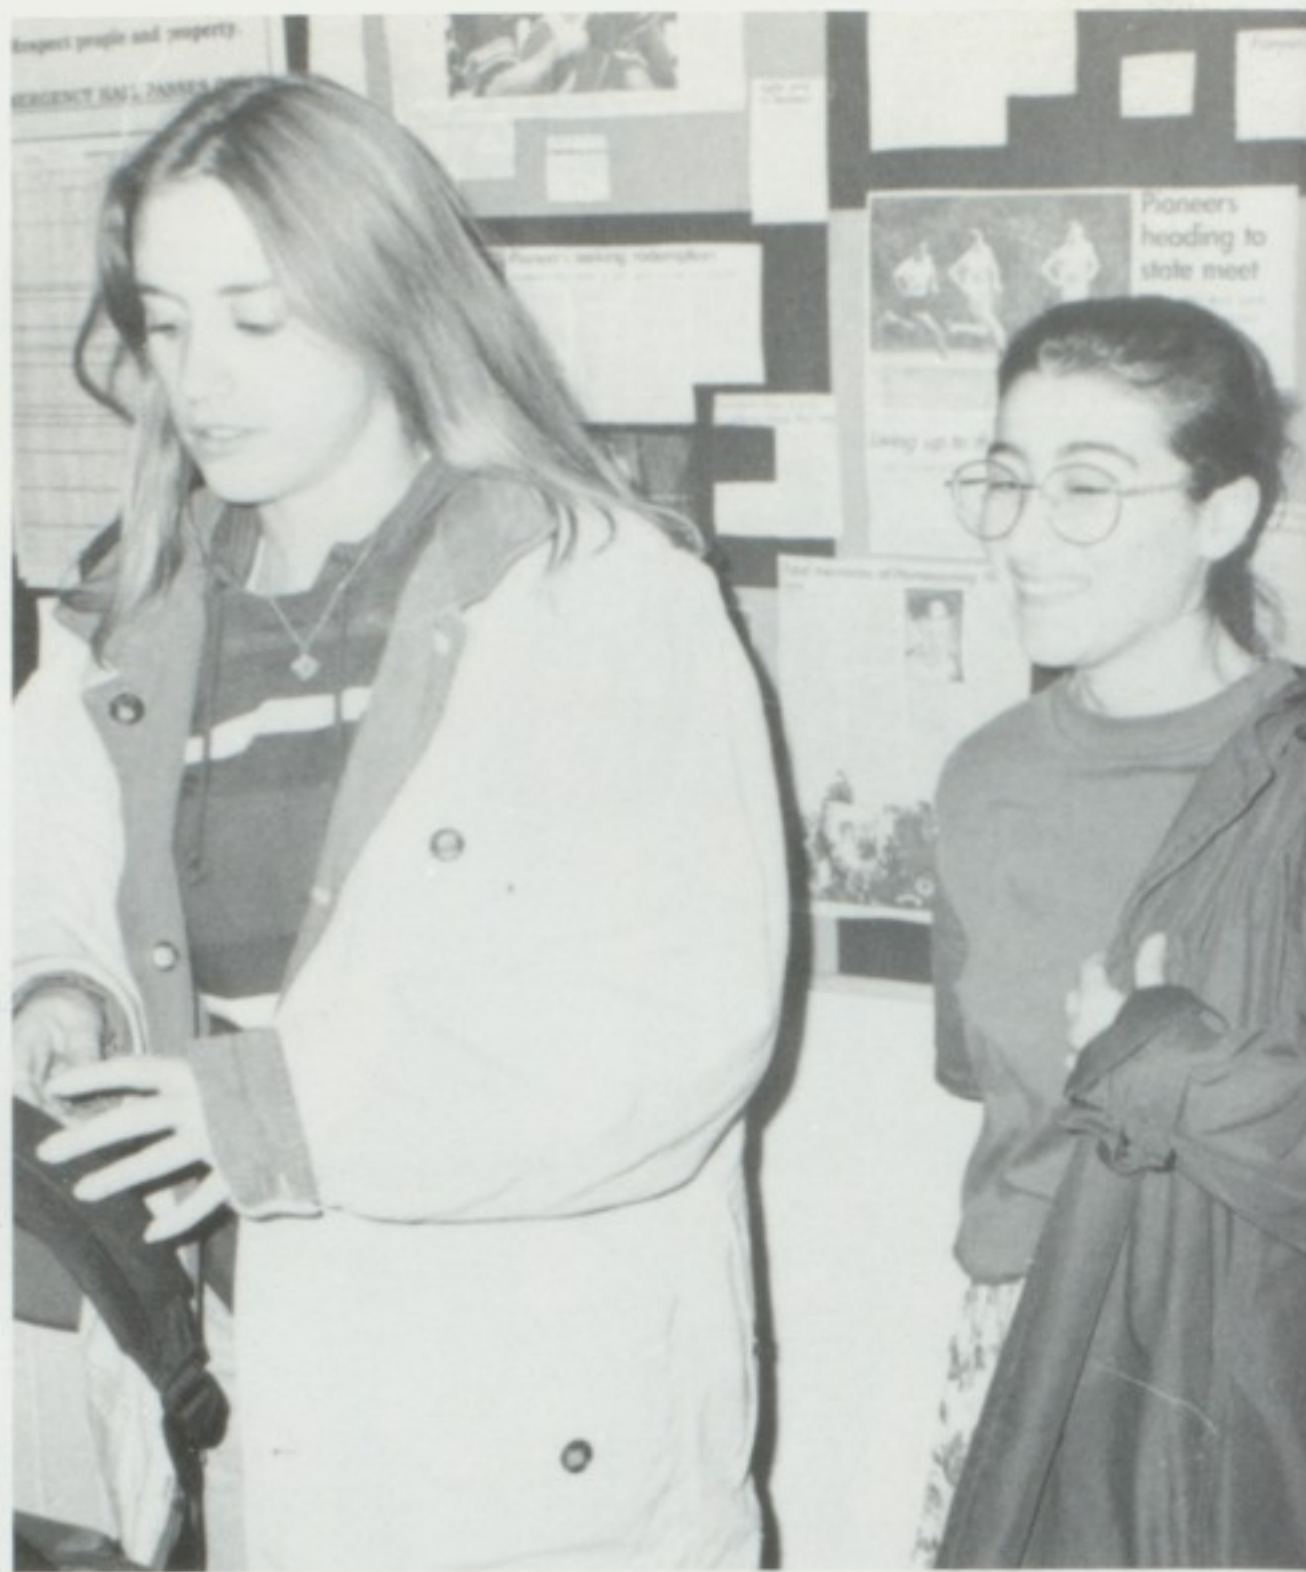

The goal of this year's Forensics class is to learn to express themselves through interpretative reading. The students read monologues, prose, poetry, give sales representations and speeches consisting of impromptues, informative, and persuasives. The skills learned in Forensics class will enable the students to be better prepared when choosing careers that require exceptional public speaking abilities.

S.A.D.D.

S.A.D.D. (Students Against Drunk Driving) at D.H.S. once again tried to spread the word about preventing drinking and driving. This club is organized to make students aware of the dangers of alcohol. The group put up posters around the school, sold red ribbons and t-shirts, and some attended leadership seminars. The officers include, president Tracy Slavinsky, vice-president Romina Principato, secretary Katina Hamann, treasurer Seth Furlow, and advisor Ms. Cranfield.

MUSE

Muse is the creative arts publication of D.H.S. It contains the thoughts and expressions of students in the form of poetry, prose, and art. It accepts entries from both students and teachers, which is then judged for admittance to the magazine. The staff is made of students and advised by Helena Baginski. The name Muse originates from Greek mythology, referring to the nine goddesses who presided over literature and the arts.

ART CLUB

The Art Club at Dearborn High is here to promote arts and services to the school and community. The club is sponsored by Mr. Wells, meeting every week on Fridays. The members are really dedicated to their work. They have projects to complete such as Holiday displays, back drop scenery for the school plays and letters for the student bulletin board. The club is connected with the Community Arts Council. Ideas are already brewing with creativity for next year.

In Memory of

Do not stand at my grave and weep,
I am not there, I do not sleep.

I am a thousand winds that blow,
I am the diamond glints on snow.
I am the sunlight on ripened grain,
I am the gentle autumn rain.

When you awaken in morning's hush,
I am the swifter uplifting rush
Of quiet birds in circled flight;
I am the soft star that shines at night.

Do not stand at my grave and cry,
I am not there, I did not die.

Christopher Leigh Kargel

February 13, 1978
January 19, 1995

Chris Kargel died tragically on Thursday, January 19, 1995. Chris left behind his father Rick Kargel, his mother, stepmother Judy Kargel, and one brother.

Chris attended Dearborn High since the spring of 1994 when he entered as a sophomore. Chris had many friends here at Dearborn High and it came as a shock to hear about his tragic death.

Services were held at Saneiu Chapel and Memorial Services were held at Cadillac Memorial Gardens West.

You will stay forever on our minds and live Forever in our hearts.

MUSIC PROGRAM SOARS TO NEW HEIGHTS

With the assistance of Mr. Oshnock, the orchestra played with precision and grace. Each and every student practiced long, hard hours to perfect each melody. To prepare for concerts, time was spent before and after school practicing for the entertainment of their audience.

DHS Women, Vocal Ensemble, and the beginning choir sing out harmoniously before and during school. They provided an entertaining show for the Pops and Holiday concerts. Ms. Kalasz directed while Liz Lysinger played the accompaniment on the piano.

Jenny Theisen - In tune and ready to play?

If there was one club that kept our spirits high, it was definitely the band. Even when times were tough, the enthusiasm of the students was unbelievable. They marched, rain or shine, just to keep our spirit alive. The band spent many hours rehearsing complicated songs and marching routines. The obligations they had to students revolved around one simple-sounding yet complex task: to entertain. They certainly accomplished that task. "It has been a pleasure to work with the instrumental students this past year." said Mr. Oshnock, the instrumental instructor.

The band students are caught off guard as they get ready for band practice.

This fall the performing arts department presented Thornton Wilder's "Our Town", with the direction from former student Greg Viscomi. Through a lot of hard work and long hours the performers put on a spectacular performance. Being involved in school plays, allows you to learn all aspects of theater, from lighting, make-up, costumes as well as performing on stage. The play was a big success, and all the extra help was greatly appreciated. "Being involved in the plays was a great experience for me. The people were like family. I'm going to miss everyone very much." said senior Sheila Reeves who played a stage manager.

PARENT FACULTY STUDENT ASSOCIATION

The DHS-PFSA was organized to provide opportunities for parents, students, and staff to join in a working relationship and to promote communication between the school and the community regarding the education of our high school students. It also encourages family support for academic and extra-curricular activities, the standards established for students behavior and conduct and opportunities for student social activities.

PERFORMING ARTS BOOSTER CLUB

The Performing Arts Booster Club is a Parent group that gives support to the students who perform vocal or Instrumental music or perform in the Theater. PABC sponsored the Fall Craft Show which allowed us to add a music showcase to the auditorium lobby and organized the taking and displaying of the group pictures on the wall of the music hallway. The PABC are the ushers, monitors and helpers at the football halftime, the concerts, the plays, and the parades and they sponsor the fundraisers for the student's trips. This year the PABC groups performed in Kalamazoo, St. Louis, Solo and Ensemble Festivals, the St. Patrick's Day Parade, and the Memorial Day Parade as well as the Pop's Concert, Holiday Concert, Spring Concert, Cabaret, "Our Town", "The Musical Comedy Murders of 1940" and the student directed "Spring Scenes".

BOOSTER PARENTS HELPING AT DHS EVENTS

The DHS Booster Club parents help at many of our sport related functions. They made it possible to have a new weight room for sports teams to train in during the off season, they sponsored our first Gus Macker tournament this year as well as hosting the pancake breakfast and the class competitions for Homecoming, and all of the sports banquets held at the end of the sports seasons in the fall, winter, and spring.

AFTER HOUR VIDEO SUPERVISORS AND CREW

The Video Club is an elite group of students who put in an enormous amount of their time late at night and on the weekends. Mr. Gibb and students like Andrew Erickson, a 1994 graduate, have offered their free time to come in to supervise and help current DHS video students with any extra projects they are working on. Without the help of these former students less hours would be able to be put in and deadlines would be tighter and harder to accomplish.

From 9:00pm to 12:00am on Saturday nights, there is no need for MTV. Under the supervision of Mr. Russ Gibb, the W.D.H.S. crew has become top notch. Members meet every week to plan new projects and schedules preparing for the broadcasting of Back Porch Video. Many of the students produce their own videos and are granted scholarships. Students attend class trips often to New York and California for the studying of more advanced technologies during the summer months.

WDHS producer Jason Wrobel said, "WDHS has been a great experience and it has been well worth the time and effort I have put forth this year."

Station Manager, Chris Kenninburg, said, "Being in video, I realize that in order to do something right, you have to take the time and be consistent in whatever you do."

NATIONAL HONORS SOCIETY

National Honors Society is a group that honors selected individuals who meet many requirements such as high academics, leadership, and citizenship skills. To participate in this program one must first be invited. This takes place if they meet all the requirements. Throughout the year, these students work on projects including the annual Red Cross Blood Drives, taking place in November and April. A food and clothing drive for COTS (Coalition On Temporary Shelters) is also annually held along with the many other projects that aid within the community.

"Community service is a great part of NHS. It is also one of the items that was looked upon for selecting members." stated senior Jackie Smith.

'95 SPIRIT

Spirit Week '95 was the build up to the basketball team's crushing victory over cross-town rival Edsel Ford. It began Monday, with hat and concert T-shirt day. Tuesday was toga day, with teachers and students wearing various bed sheets. Wednesday was 80's day; students dressed in clothes depicting the '80's. Thursday, students from each grade wore their class's color. Seniors wore silver and purple, juniors -green, sophomores - red, and the freshmen wore yellow. The last day was orange and black day, which ended with an exciting pep rally. The Coming home dance was on Saturday night.

Summer of 1994 European Trips

Every other year Dearborn Public High Schools offer students a chance to take a trip to Spain, France, or Germany. These trips taken not only provide the students with different cultural experiences but also help them learn more about the civilization of that country.

Spanish students not only toured seven different cities in two weeks, but also took a day trip to Tangiers, Africa. Their trip began in the northern part of Spain and headed down to the southern tip of the country. The rest of their trip dealt with the touring of different cathedrals and monuments.

On a three week trip of the Atlantic coast of France, students traveled to such places as Biarritz, the Loire Valley, Limoges, Cognac, and the inevitable, Paris. One of the three weeks was spent with a family in the city of Rouen, about an hour north of Paris.

German students participated in an actual exchange. They stayed with a family in the area of their choice and a member of that family came back and stayed with them. Heidelberg was one of the cities toured by students and is said to be beautiful.

Musical Comedy Murders of 1940

Ach du Leibe. During the blizzard of 1940 in Chappaqua, New York a German saboteur continues to hide his identity by murdering nearly all present in the mansion of Elsa Von Grossenknueten. Sgt. Kelly of the NYPD sets up a sting with the daffy assistance of Elsa to capture the infamous stage door slasher who has killed three chorus girls. Elsa and Kelly bring together all the imaginable suspects, who had been involved in the same shows the three girls who died were in, to Elsa's mansion for a backers audition to find the slasher. Added to the auditions were three new members, a struggling young comic, a singer/dancer, and an Irish tenor. Who Dun it? Was it the Maid, the butler or the cook? When the searches through the secret passages are through and the dust has cleared we find the who, what, why,when, AND HOW! The butler was really Sgt. Kelly, The Irish tenor is an Italian detective who is really the Gestapo. The singer/dancer is an Ensign in the Navel Intelligence in search of Dieter Wenzel the German saboteur who has made off with 1/4 of a million dollars and has killed his sister the maid, the producer and the Gestapo agent. Interaction with the audience was a hit. The pianist and the drummer added a Ba Bum and a rim shot to add suspense and comedy. Hors d' oeuvres served to the guests of the mansion as well as the audience brought down the house. The actors really knocked 'em dead!

Elsa and Sgt. Kelly dispute about how to fool the actors about the auditions. Will the actors be able to figure out their little tricks???

Sgt. Kelly (Anthony LaRussa) and Elsa Von Grossenknueten (Jennie Knight) plotting out the following days events before the actors arrive for what they think is a backers audition.

Elsa Von Grossenknueten not knowing that Helsa Wenzel (Farrah Baran) is really a Nazi Saboteur as she explains her duties for the day while the actors are auditioning.

Nikki Crandall (Bree Amber Rafferty) a Navy Intelligence Officer posing as a singer/dancer and Eddie McCuen (Marco Frattarelli) a struggling comedian discuss their fears of the Slasher.

Thespian Troupe #586

Thespians are an elite group of actors who have earned at least ten Thespian points between two shows. The points have to be obtained through technical (behind the scenes) work and performances. Thespians have an annual induction where the inductees have to go through a formal ceremony which ends with the signing of the Thespian Scroll and the inductees are required to put on an impromptu skit. You are then required to pay dues and are a Thespian of Troupe # 586 for life. This year the troupe put on the play 'Our Town', "The Musical Comedy Murders of 1940, and one acts. The officers this year include Jennie Knight as Pres., Bree Amber Rafferty Vice Pres., Farrah Baran Secretary, Ann Chrapkiewicz Treasurer, and Charlie Becker as Historian.

SERVING OUR COUNTRY...

Each year we have a few good men or women who choose the military as their choice of career after graduation from DHS. This year as of March 1, 1995 we have two proud women entering the services. These two young women will begin to build their future and become stable adults, while the rest of the graduating class is still testing the waters in career choices. They will leave the military with the courage and background to go on to be anything they want to be. Congratulations and good luck to our servicewomen.

Farrah Rainette Baran enlisted into the Navy's Medical Corp. Her ship date is August 1, 1995 for basic training. Farrah's interest in the Military began in third grade. Farrah wants to make the Navy her career, and hopes one day to become an officer.

Angela Parsons enlisted into the Air Force and is pursuing a career in accounting and administration. Her ship date is August 16, 1995 for basic training. Angela thinks that the Air Force will be the best way for her to complete all her future goals.

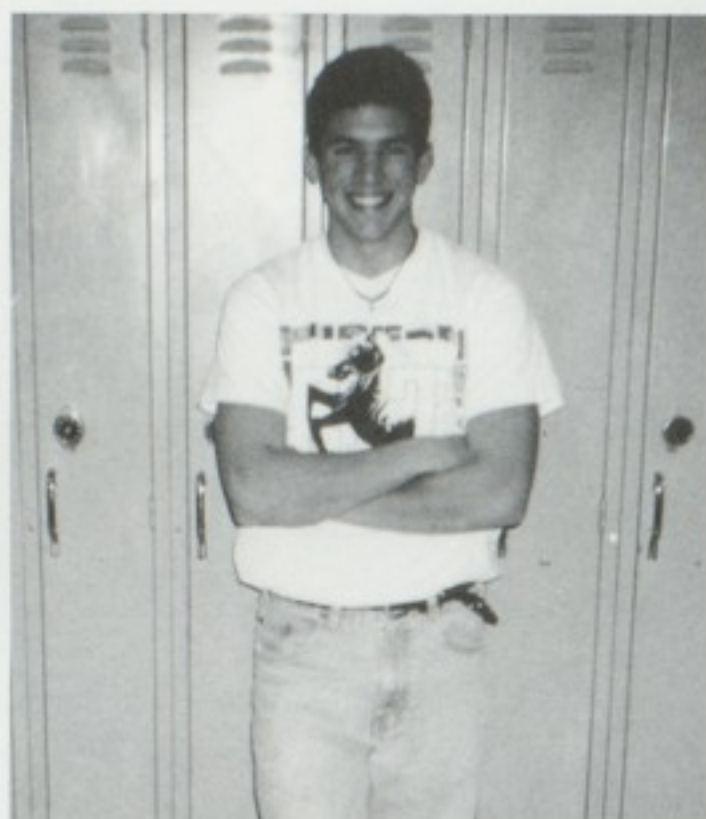

What's In, in '95

Fads 'n Fashions

Different is good. Erica Thomas, Cherri Colletti, and Simone Stevenson strut their stuff.

Pete Arango models the typical guy's outfit--tee-shirt, jeans, and tennies.

Kendra Dumke, Neil Ngthingale, and Elena Bungee show that whether it's tee-shirts, sweaters, or flannels, the layered look is in at DHS.

Senior Lea Souliotis' long, straight hair is a style worn by many Dearborn girls.

As seniors Stetson Steele and Troy Thompson indicate, prep will always be in style.

Walking through the halls at DHS you'll notice an array of styles in hair, clothing, and accessories. Here's a quick look at the typical fashions and the unusual fads seen around the school. From tee-shirts to lip rings here's "What's In" in 1995...

Body Piercing is the rage in '95. Senior Erin Follbaum and freshman Kate Crawford show off their 'rings.

Seniors Julie Kalbfleisch and Sean Menoch go typical casual with a sweater and a sweatshirt.

Jim Hefferan wears his famous grey pants and sweatshirt.

Old school barettes become a common accessory.

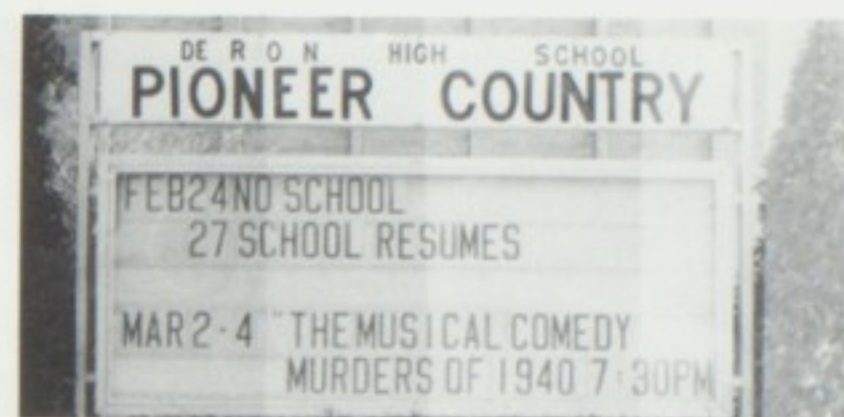

Kim Luke models her new tattoo.

Say What???

What's up?
Yeah Right
Haus
You're Weak
Yeah Dog
That's Harsh
Get Crazy!
Red Dog!
You Killed It
Get Some

Get Crazy! Adam Kachaturoff and Brian Zirbel give a shout.

The marquee outside school lists upcoming DHS events.

AS THE WORLD TURNS

PEOPLE

Newt Gingrich, the new Republican Speaker of the House of Representatives, has big plans for America as the head of Congress.

In 1994 Nelson Mandela was elected, becoming the first black South African president.

Heather Whitestone, Miss Alabama, inspired the nation when she overcame deafness to be crowned as Miss America 1994.

The biggest news of 1994-95 is O. J. Simpson, former Buffalo Bills football star, and one of the greatest running backs ever, is accused of murdering his ex-wife Nicole Brown-Simpson and her boy friend Ron Goldman. After an infamous chase, O. J. was arrested. Thus the most publicized trial in history began, dominating the television networks for months.

Bill Clinton, serving his first term as president, is considered to many to be a disappointment with his failed Health Care Reform. He won a significant political battle, however, by signing a \$30 billion Crime Bill which bars the manufacture, sale, and possession of nineteen specific types of assault-style weapons, provides money for the buildings of prisons and hiring of police officers, and allows the death penalty for sixty additional federal crimes.

EVENTS

Tropical storm Alberto stuck and the southeastern floods made history. The storm unloaded more than 20 in. of rain, causing flooding that killed 31 people and forced 46,000 more from their homes.

On January 17, 1995, a violent earthquake hit Kobe, Japan. The quake killed more than 5000 people, caused \$130 billion in damage, and forced 270,000 people to live in refuge shelters.

(military pictures, top to bottom) - The fighting in Bosnia continued, as the Serbs, Croats, and Muslims vied for control of the country. In Rwanda, over one million refugees were forced to flee the country after massacres by the Tutsi Rwanda Patriotic Front. Cuban refugees fleeing the dictatorial regime of Fidel Castro were refused entry into the United States after tens of thousands of them boarded make-shift vessels bound for Florida. US military troops intervened in Haiti to return elected president Aristide, who had been overthrown by the Haitian military, to power.

ENTERTAINMENT

With the 25 year anniversary of the original Woodstock approaching, the music world got together to recreate the extravaganza. Woodstock '94 was a huge success, with music and events taking place around the clock.

In a controversial union, pop star Michael Jackson married Lisa Marie Presley, daughter of musical legend Elvis.

The nation lost a legend when famous comedy actor John Candy died of a heart attack this year.

Jim Carrey made his mark in comedy this year with his hilarious movies, including "The Mask," "Dumb and Dumber," and "Ace Ventura Pet Detective."

Nine Inch Nails rocked the charts this year with their album "The Downward Spiral."

SPORTS

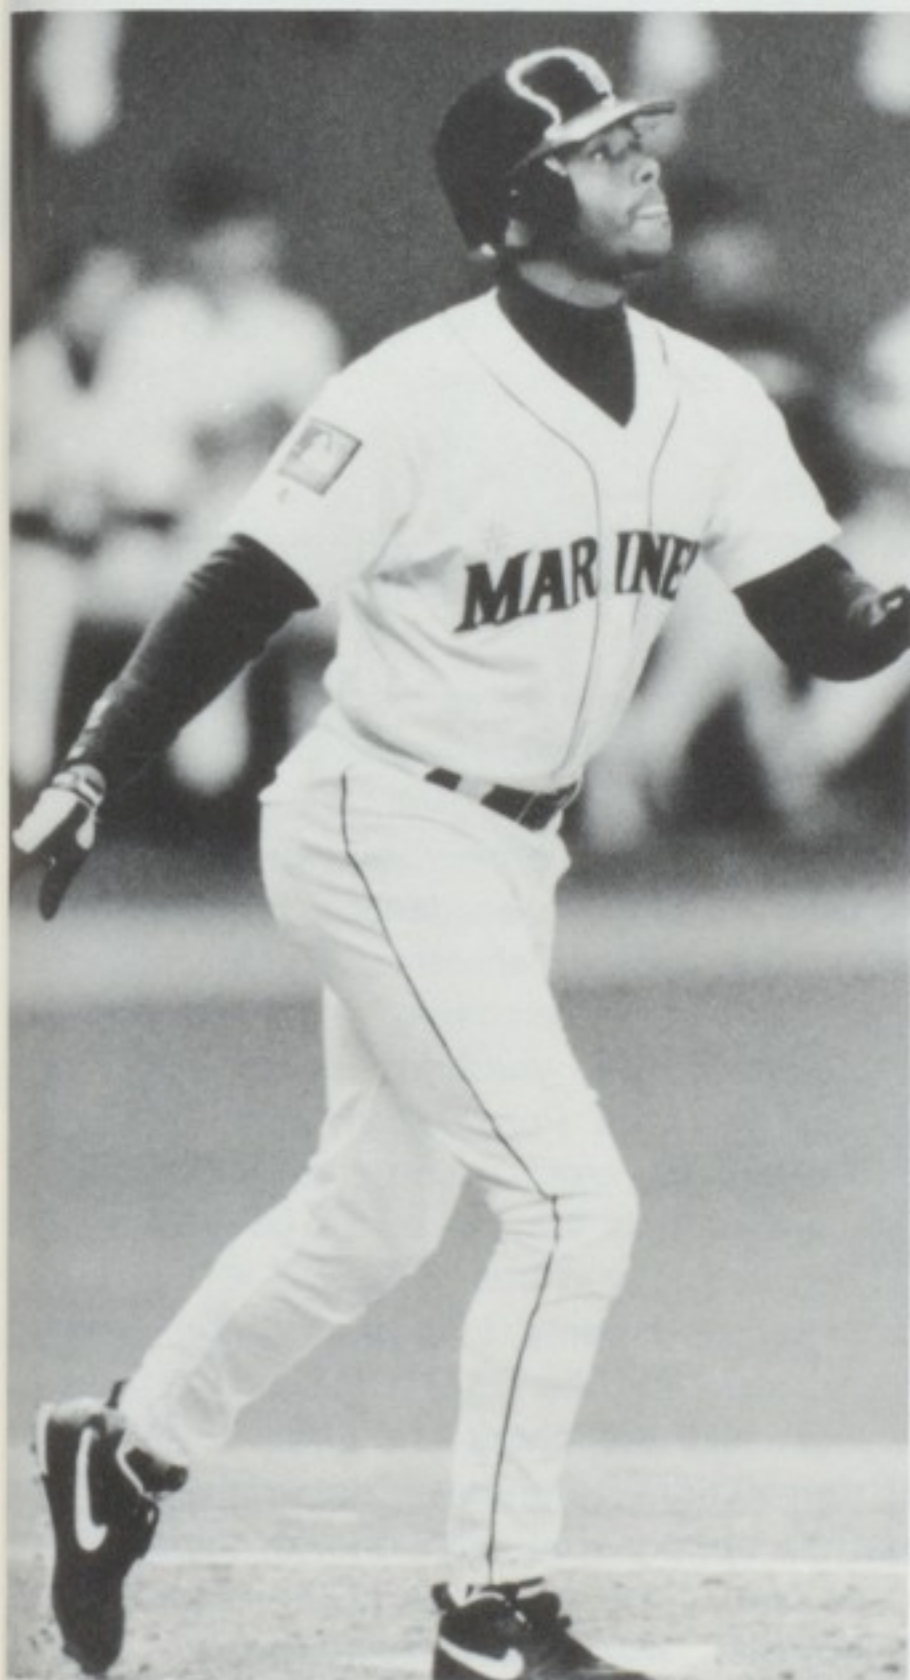

BASEBALL'S 3rd ST

The baseball strike ended the '94 season two months early. For the first time in over 80 years there was no World Series. In 1995's spring training, replacement players were replacing players like Thomas, Bonds, and Bagwell. The strike officially ended April 1st, ending the replacement players dreams.

The nation got hyped for soccer this year when the World Cup was played in Pasadena, California. The United States soccer team did fairly well as they beat Colombia in the 1st round, but lost to Brazil in the 2nd round. The Brazilian soccer team went to the finals to face Italy, where they were victorious 1-0.

Ken Griffey Jr. of the Seattle Mariners was well on his way to breaking the home run record of 61 set by Roger Maris in 1961, when the baseball season came to an abrupt end.

Super Bowl XXIX- to no one's surprise, the 49ers dismantled the Chargers 49-26 for a record 5th Super Bowl win, which brought Steve Young out of the shadow of Joe Montana. It had the fastest scoring drive in Super Bowl History: 1 minute 24 seconds, also Steve Young threw for six touchdowns.

Jerry Rice became the NFL's all-time touchdown and scoring leader. In his first game of the '94-95 season, he caught his 152nd reception. He went on to lead San Francisco to a Super Bowl championship.

Farrah Rainette-

I was a very proud parent the day you wore your kindergarten cap & gown. I look at you now in your DHS cap & gown and the pride I feel brings a smile to my face and tears to my eyes, it's all come and gone too fast.

I hope you have fond memories of your youth and remember the family omen "live in a convent and raise your children the same way!"

The medical profession you have chosen astounds me knowing you will carry the title, "You want to be what?"

Oh that look only a Baran Brat Original can give! *"Carpe diem!"*

You entered DHS with only one goal and you accomplished it with ease. To letter in academics, performing arts, and sports. Plus all the other accomplishments: 4 years of perfect attendance, student council, board member of the Parent Faculty Student Association, Class of '95 yearbook editor. You were instrumental in restarting the Pom Pon Squad, and the Varsity Club. You ran the 2 mile in track, cross country, you sang with the Tonettes. Acted and danced with the joy of a Thespian officer. You spotted and Volleyed, and stayed true to your S.A.D.D. oath.

Four years of accomplishments, four years of becoming an independent woman prepared for the 21st century. I have no doubts as you leave your childhood arena and begin to tackle the outside world, your convictions, honesty, determination, and fortitude will continue to supply you with the confidence and character that make you one of the elite, one of the originals, one of the best. *"Illegitimi non corborundum!"*

Thank you for allowing me to share so closely with you all your experiences and dreams.

My love **PEACHES** through eternity and beyond,
Your Class Parent and Mom

Jason-

It seems like only yesterday we purchased your first suit.

Commencement means beginning and we know this is only the start of many successes yet to come.

Good luck at BRADLEY!
Love, Mom & Sara

To the members of the Class of 1995...

Through four years I worked along side you assisting and preparing with you towards your graduation day. I was given the job of volunteer advisor to the class, and the representatives you elected. My four years have been filled with meetings and fundraisers leading up to this day. Joining with other parents that helped along the way to assist you in becoming the leaders of our tomorrows. From all the golf tournament concessions, the bottle collections, car washes, and Karaoke dances. I have watched you grow from young, idealistic freshmen so green yet so strong, a "mean green freshmen team", into the "Red Hot Sophomores", alive with confidence and esteem. I watched as you became "blue Juniors" riding the crest of a successful wave only to crash and continue a little less together. As you reached your final year searching for your mighty reign as seniors, I've seen many of you seek for your silver lining.

I hope you never stop searching for the sun, moon, stars, and all you can accomplish. Thank you for allowing me to enjoy my four years as Class Parent. To each of you I wish the best of what life has to offer, I congratulate you on your accomplishments. I hope you will always remember, we do not pass through this life alone, each of us touch others lives and leave an imprint.

Good Luck, Best Wishes & much success to the Class of 1995

"The Greatest Class on Earth"
Class Parent, Catherine Baran
